BUILDING BETTER ATHLETES. BUILDING A STRONGER COMMUNITY. YOUTH SPORTS PERFORMANCE TRAINING FOR ATHLETES AGES 8-18

Redline Athletics Tempe is a youth-focused sports performance facility designed to help athletes become faster, stronger, more explosive, and more confident competitors. Our structured, coach-led training programs support athletes across all sports and ability levels!

WHAT WE DO

SPEED **ABILITY** **STRENGTH** **POWER**
MOBILITY **INJURY PREVENTION**

Every session is designed with purpose, combining expert coaching, proven training methods, and an environment that challenges athletes to continuously improve.

MEASURE PROGRESS. SEE RESULTS.

Training is only part of development. Knowing whether an athlete is improving matters. Redline combines expert coaching with sports performance technology and measurable testing to evaluate areas such as speed, movement mechanics, explosiveness, and overall athletic performance.

Performance data helps coaches identify areas for improvement and gives athletes and parents a clear way to track development over time.

THE COMPLETE ATHLETE

At Redline, we don't train athletes for just one sport. We develop the athletic foundation that carries over to basketball, baseball, football, soccer, volleyball, lacrosse, and more!

- Our programs help athletes:
 - Improve speed, acceleration, and agility
 - Build strength, power, and explosiveness
 - Develop better movement mechanics
 - Improve balance, coordination, and mobility
 - Build confidence and athletic awareness
 - Prepare for competition and reduce injury risk

PARTNER WITH OUR FACILITY

Redline Athletics Tempe is looking to build meaningful relationships throughout Tempe, Ahwatukee, and the surrounding communities. We partner with schools, youth sports organizations, teams, clubs, leagues, and coaches to create opportunities that help more athletes reach their potential.

TEAM TRAINING

Bring your team to Redline for focused sports performance training.

PERFORMANCE TESTING

Give athletes measurable data and benchmarks to track their development.

CAMPS AND CLINICS

Offer athletes specialized training and educational opportunities.

COACH & ATHLETE EDUCATION

Provide resources and training focused on long-term athletic development.

COMMUNITY EVENTS

Create chances to support athletes and strengthen the local sports community.

CUSTOM PROGRAMS

Let's build a program around the specific needs of your athletes or organization.

WHY REDLINE?

EXPERT COACHING + STRUCTURED TRAINING + MEASURABLE DEVELOPMENT

We're not just focused on making athletes work harder. We're focused on helping them move better, perform better, and develop for the long term. Whether you're a coach, school administrator, team director, youth sports organization, or parent, we'd love to explore how Redline Athletics Tempe can support your athletes and your organization.

LET'S BUILD BETTER ATHLETES TOGETHER. READY TO PARTNER?
